Global bordering practices in times of COVID-19

On June 15 and 29, the Viadrina Center B/ORDERS IN MOTION hosts Virtual Research Factory sessions discussing global bordering processes. Together with international guest lecturers the focus of discussion will be on strategies of (national) bordering and migration processes in times of the COVID-19 pandemic.

To register for one of these online sessions, please contact Dr. des. Peter Ulrich:

pulrich@europa.uni.de
